

Teacher Recommendation

A present or former student of yours, _____, is a candidate for admission to Escuela del Sol Montessori Jr. High. We want to ensure that every student we accept will be happy and successful in our adolescent program. Students do best if they are self-directed, motivated, and emotionally well-grounded. Parents need to be supportive of the child's own pace and self-development. We would appreciate your frank and considered opinions on a number of questions about this student's attitudes and accomplishments. With your help, and that of the family, we can determine if this is the best program for him or her at this time.

The information you provide is confidential and will not become a part of the student's permanent record. To ensure confidentiality, we ask that this form be mailed directly to our school, or please scan and email it to our Admissions Department (office@eDelSol.org) or to our Head of School, Ms. Friedje vanGils (Friedje@eDelSol.org).
